BACK IN THE STUDIO

As of June 1st, I truly believe we will be back to the studio for face to face teaching. We will be enforcing the same hygiene rules as we were before we were shut down. We were ahead of the pack with our sanitation. Every teacher has their Covid-19 training Certificates, there is hand sanitiser in every room & used by every child upon entering & leaving the classroom. After every class the door handles, barres & other surfaces are cleaned with hospital grade disinfectant. Children are monitored & encouraged to wash their hands frequently whilst in the waiting areas & not to touch their face.

UNIFORMS

SURPRISE!!!!!!!

This year every enrolment new or returning will receive a basic uniform free of charge!!!!!! This is Miss Debra's way of saying 'Thankyou' for trusting us with the dance education of your children.

END OF YEAR SHOWCASE

I am trying to reschedule our End of Year Showcase. It was due to be held in October this year. So there is no undue stress placed on any of our families, financial or time wise I am attempting to reschedule to December 2020 or January 2021.

ADDITIONAL CLASSES

Due to Covid-19 causing us to close our doors early in Term I, these classes will be made up during the July holidays. Current class timetable will apply & if you are unsure if you qualify for these free classes, Miss Debra will send you a personal invite, so you know you need to attend. We will be making up private lessons during this time also.

To make up for lost time in our program we plan on running classes throughout the July school holidays.

SCHOOL HOLIDAY PROGRAM

To assist working families during the school holidays, we will be holding a complete 'School Holiday Program' at the studio Monday-Friday 7am-6pm. The program has been very carefully planned to keep children of school age engaged & also plan on some excursions as well.

We are currently applying to the State Government for funding to assist with costs & will keep you informed.
