BACK IN THE STUDIO

How good is it to be back in the studio? I am so happy to be back & see all those beautiful faces in the studio.

COVID-19

We are now a registered Covid safe business & our Covid Safe plan is available for everyone to see at the studio. Please do not remove this from the studio because if I am inspected I need to be able to produce the plan. We also have the studio sprayed regularly by Germ Shield, a vapour product that adheres to surfaces throughout the studio & is an active agent recommended in the fight against Covid-19. It continues to fight bacteria & germs for up to 90 days.

MUSICAL

INTO THE WOODS

The students are doing amazingly well preparing for this production. Costumes have been ordered & all the excitement is building. Miss Olivia is doing an amazing job & all the students are to be commended for the amazing job they have done, even whilst online. Our Musical will be on stage on December 6th at the Liverpool Catholic Club at 11:00am Tickets for this event will be available for sale at the studio, sometime in November. There will be one performance, not to be missed.

FAIRY DOOR

So, what does everyone think of our new Fairy Door? I personally am very happy with it & from the faces of our Tiny Dancers right through to our grade 1 dancers, it is huge hit.

SCHOOL HOLIDAY ADVENTURE

In the July school holidays we took some lucky students on an Adventure!! We spent the day Ice Skating, playing Mini Golf, had an amazing lunch, with gelato & activity packs, an all round happy day with the sun on our faces & the wind in our hair. A much needed reprieve after our lockdown.

END OF YEAR SHOWCASE

YES we WILL be having an end of year Showcase!!

'The Show Must Go On'

Our end of year Showcase has been rescheduled to December 18th at the Casula Powerhouse. Depending on the restrictions at this time we may have 2 concerts. I will keep you informed. Tickets will go on sale in November, & may be sold manually at the studio. All of our beautiful dancers, gymnasts & circus students will be able to perform. Nothing will stop us. Not even Covid-19
